Arts & Crafts

Get creative with hands-on projects

Lunch Break

Enjoy a nutritious, restaurant-style meal

Guest Speaker

Discover something new during an afternoon talk

Game Time

Play a board game with friends

Head Home

Return to your loved ones, refreshed and smiling

HOW TO ENROLL

1. Medical Requirements

A medical form provided by us and a Tuberculosis (TB) skin test should be completed during a visit to your physician's office.

2. Enrollment Meeting & Agreement

We'll arrange a meeting with the prospective member and their caregiver to assess cognitive and physical abilities, discuss the program, and gather important documents. Lastly, we'll complete the necessary forms, including a service agreement.

RATES

ElderDay is an affordable alternative to Personal Care, Skilled Nursing and in-home care. An assessment is completed during the enrollment process and rates are discussed at that time. Private pay daily rates currently range from *\$82 – \$100.

*Rates are subject to change.

ElderDay

QUESTIONS & ANSWERS

WHAT IS ELDERDAY?

We are a state licensed adult day program that has been in operation for over 40 years. Our ElderDay Center provides an engaging social setting where your loved one is cared for and cared about. Our program supports aging adults who benefit from assistance during daytime hours. Team members provide a variety of activities and personal care assistance to our members, as well as peace of mind and a bit of respite to their caregivers.

HOW OFTEN CAN I ATTEND?

You can choose which days to attend. We recommend at least 2 days a week to establish a routine and build friendships. Many members attend 2–3 days per week.

WHAT ACTIVITIES ARE OFFERED?

We offer a variety of activities, including holiday, seasonal, and special events. Daily programs feature games, exercises, socializing, and reminiscing. Weekly activities include music, crafts, discussions, and bingo. Monthly, we enjoy spiritual time, pet visits, guest performers, and more, along with occasional field trips, campus tram rides, and dining out. When weather permits, we also enjoy the outdoors.

IS FINANCIAL AID AVAILABLE?

Yes, financial aid is available in some cases. Franklin County residents can contact the Area Agency on Aging at 717-263-2153 to inquire about ElderDay services and a financial needs assessment for the Options Program. Cumberland County residents should contact the Aging and Community Services Office for a referral to the Options Program. A care manager will likely arrange a home visit to discuss needs. Some long-term care insurance plans may cover Adult Day Services.

HOW DO I ENROLL MY LOVED ONE?

To enroll, contact Katie Ackerman at 717-709-4510 to schedule an appointment. You will receive a medical exam form for a physician to complete, and you'll also meet the team and tour the Center. Enrollment requires a TB test with negative results in addition to the medical exam form.

IS TRANSPORTATION AVAILABLE?

Our members arrive either with family/caregivers or via RabbitTransit, a local service offering rides for \$1.50 each way to residents in Franklin and Cumberland counties. When RabbitTransit drops members off, our team is there to greet and escort them inside. Rates are subject to change. To schedule, call 1-800-632-9063.

DO YOU OFFER ANY ADDITIONAL SERVICES

Yes! We offer bathing, podiatry, physical/occupational/speech therapies, and Beauty/Barbershop services on a fee-for-service basis.
